

AETHER DYNAMICS INC.

ENTERPRISE GOVERNANCE, OPERATIONS & DIRECTORY MANUAL

Document Notice: This comprehensive enterprise document outlines company policies, operational standards, security protocols, and directory structures for Aether Dynamics Inc. All personnel are required to review and comply with the directives herein.

1. EMPLOYEE HANDBOOK

1.1 Mission, Vision, and Core Values

Aether Dynamics Inc. is committed to pioneering resilient aerospace and autonomous systems. Our foundation rests on four core pillars: **Integrity** in design, **Excellence** in execution, **Inclusivity** across teams, and **Relentless Innovation**.

1.2 Workplace Conduct & Ethics Code

Employees must maintain high standards of professionalism. Discrimination, harassment, or unethical commercial conduct will result in immediate disciplinary review up to termination.

- **Work Hours & Flexibility:** Core collaborative hours are 10:00 AM – 4:00 PM EST. Flexible scheduling is permitted with managerial approval.
- **Attendance & Remote Work:** Hybrid work policies allow 2 days remote work per week for eligible roles. Remote setup security protocols must be strictly enforced.
- **Conflict of Interest:** Outside employment or consulting engagements that compete with Aether Dynamics activities must be disclosed to HR immediately.

1.3 Leave Policies & Workplace Wellbeing

Leave Type	Annual Allowance	Accrual & Carrying Policy
Paid Time Off (PTO)	20 Days	Accrues monthly; maximum of 5 days carry-over into Q1.
Sick & Mental Health Leave	10 Days	Fully front-loaded on Jan 1; requires note if >3 consecutive days.
Parental Leave	16 Weeks Paid	Applicable to primary and secondary caregivers after 6 months tenure.

2. CYBERSECURITY & INFORMATION SECURITY POLICY

2.1 Information Classification & Handling

Data at Aether Dynamics is categorized into four distinct security tiers. Compliance with handling instructions is mandatory under ISO 27001 standards.

Tier Level	Classification	Handling & Storage Protocols
TIER 1	Public	Marketing collateral, press releases. No restriction on sharing.
TIER 2	Internal	Internal announcements, SOPs. Restricted to internal network.
TIER 3	Confidential	Financials, employee PII, client lists. Encrypted at rest and transit.

TIER 4	Restricted	Proprietary algorithms, defense IP. Hardware-isolated storage, zero export.

ONBOARDING & LEARNING DEVELOPMENT

AETHER DYNAMICS TALENT ENABLEMENT FRAMEWORK

3. NEW EMPLOYEE ONBOARDING GUIDE

Our structured 30-60-90 day framework is designed to seamlessly integrate new hires into operational workflows while ensuring cultural and technical alignment.

Phase	Key Objectives	Deliverables & Milestones
Days 1 – 30 ORIENTATION	System setup, compliance certification, team integration, baseline domain learning.	- Complete IT hardware and MFA provisioning. - Complete mandatory Security & Ethics training. 1-on-1 shadow sessions with assigned peer mentor.
Days 31 – 60 INTEGRATION	Active participation in core sprints/projects, initial autonomous deliverable execution.	- Deliver first assigned project module/task. - Mid-probation review with direct manager. - Present initial workflow improvement feedback.
Days 61 – 90 AUTONOMY	Full operational autonomy, cross-functional collaboration, performance benchmarking.	- Full ownership of primary role responsibilities. - Set quarterly OKRs/KPIs with manager. - Formal 90-day onboarding review completion.

4. ENTERPRISE TRAINING & PROFESSIONAL CATALOG

Aether Dynamics provides continuous learning opportunities through accredited internal and external modules. Mandatory modules must be renewed annually.

4.1 Mandatory Compliance Training

Course ID	Course Name	Target Audience	Frequency
SEC-101	Cyber Security Awareness & Threat Response	All Personnel	Annual
ETH-202	Business Ethics, Anti-Corruption & Compliance	All Personnel	Annual
SAFE-100	Workplace Safety & Ergonomics	Facility & Lab Staff	Bi-Annual

4.2 Professional & Technical Development Programs

Course ID	Course Title & Scope	Prerequisites	Format
ENG-401	Advanced Embedded Systems Architecture	Level 2+ Engineers	Instructor-Led (4 wks)
LEAD-300	Emerging Leaders & Strategic Management	Senior / Lead Level	Workshop / Cohort
DATA-250	Enterprise Data Analytics with Python & SQL	Open to All	Self-Paced e-Learning
PM-102	Agile Frameworks & JIRA Mastery	Project Managers	Interactive Seminar

STANDARD OPERATING PROCEDURES (SOPS)

CROSS-DEPARTMENTAL OPERATIONAL PROTOCOLS

5. DEPARTMENT STANDARD OPERATING PROCEDURES

Standard Operating Procedures ensure consistency, safety, and operational excellence across enterprise divisions. Deviations require approval from Department Heads.

SOP-ENG-042: Engineering Release & Code Review Process

Department: Software & Hardware Engineering | **Effective Date:** Q1 2026

- Branching Policy:** All development must occur on feature branches named `feature/JIRA-ID-description`. Direct commits to `main` or `staging` are locked.
- Peer Review Requirement:** Minimum of two senior peer approvals required before pull request (PR) merge. Continuous Integration (CI) build pipelines must pass with 100% test success.
- Security Scanning:** Automated Static Application Security Testing (SAST) runs on all PRs. Zero critical or high-severity vulnerabilities allowed.
- Deployment Deployment:** Production deployments occur during scheduled windows (Tues/Thurs 02:00 UTC) following Change Advisory Board (CAB) approval.

SOP-FIN-015: Vendor Procurement & Invoice Approval

Department: Finance & Accounting | **Effective Date:** Q1 2026

- Purchase Order Generation:** Any expenditure exceeding \$1,000 USD requires an approved Purchase Order (PO) prior to vendor engagement.
- Approval Authority Matrix:**
 - Up to \$5,000: Department Manager
 - \$5,001 – \$25,000: Finance Director
 - \$25,001+: Chief Financial Officer / CEO
- Invoice Matching:** Accounts Payable validates 3-way matching (PO, Receiving Slip, Vendor Invoice) prior to disbursement. Payment terms are strictly Net 30.

SOP-HR-028: Incident Escalation & Workplace Grievance

Department: Human Resources | **Effective Date:** Q1 2026

- Initial Filing:** Employees may submit formal grievances via the confidential Ethics Portal or directly to HR Business Partners.
- Triage & Assessment:** HR conducts an initial intake review within 48 hours to assess severity and assign an independent investigator.
- Resolution & Follow-up:** Investigations complete within 14 business days. Findings and actionable remediations are documented and provided to involved parties.

IT ACCESS & COMPETENCY FRAMEWORK

SYSTEM SECURITY & PROFESSIONAL STANDARDS

6. IT SYSTEM ACCESS PROCEDURES

Access to Aether Dynamics IT assets is governed by the Principle of Least Privilege (PoLP) and Role-Based Access Control (RBAC).

6.1 Access Provisioning Lifecycle

Stage	Responsible Party	Required Action & Documentation
1. Request	Hiring Manager	Submit IT Access Ticket via Service Desk specifying role matrix ID.
2. Approval	Resource Owner	Data/System Owner validates business justification and approves.
3. Provisioning	IT SysAdmin	Automated scripting generates identity via Single Sign-On (SSO/Okta).
4. Recertification	Security Operations	Quarterly access audit to remove dormant or over-privileged accounts.

6.2 Privileged Access Management (PAM)

Root and administrator rights are strictly controlled. All elevated access requires Multi-Factor Authentication (MFA) via hardware security keys and session logging through our PAM portal.

7. ROLE COMPETENCY FRAMEWORK

Our competency model outlines clear expectations across technical mastery, leadership, and operational execution across 4 career tracks.

Level	Engineering Track	Product / Operations Track	Leadership Expectations
L1: Associate	Executes assigned tasks under supervision; basic debugging and coding skills.	Supports project execution; handles routine operational tasks.	Self-management, adaptability, active learning.
L2: Professional	Autonomous task execution; designs mid-level components; code review participant.	Owns sub-features/processes; manages cross-team communications.	Peer mentorship, problem solving, process improvement.
L3: Senior	Architects complex subsystems; drives tech stack selection; mentors L1/L2.	Owns multi-quarter roadmaps; manages vendor & stakeholder relationships.	Strategic alignment, technical direction, cross-dept leadership.
L4: Principal / Lead	Defines enterprise technical vision; solves critical multi-system bottlenecks.	Drives business domain strategy; optimizes enterprise resource allocation.	Organizational influence, executive reporting, innovation strategy.

ORGANIZATIONAL DIRECTORY

AETHER DYNAMICS LEADERSHIP & KEY CONTACT MATRIX

8. EXECUTIVE LEADERSHIP & DEPARTMENT DIRECTORY

Below is the current executive and operational directory. For general inquiries, contact info@aetherdynamics.com or extensions listed below.

Name	Title / Role	Department	Email Contact	Ext.
Dr. Elena Rostova	Chief Executive Officer	Executive Office	e.rostova@aetherdynamics.com	x1001
Marcus Vance	Chief Technology Officer	Engineering & R&D	m.vance@aetherdynamics.com	x1002
Sarah Jenkins	Chief Financial Officer	Finance & Accounting	s.jenkins@aetherdynamics.com	x1003
David Thorne	Chief Information Security Officer	Cyber Security & IT	d.thorne@aetherdynamics.com	x1004
Patricia Liang	VP of Human Resources	People Operations	p.liang@aetherdynamics.com	x1005
Robert Sterling	VP of Global Operations	Operations & Logistics	r.sterling@aetherdynamics.com	x1006
Amanda Hayes	Director of Legal & Compliance	Legal Affairs	a.hayes@aetherdynamics.com	x1007
James K. Miller	Director of Product Management	Product Office	j.miller@aetherdynamics.com	x1008

9. OPERATIONAL HELPDESKS & EMERGENCY CONTACTS

Support Unit	Responsibility	Contact Email / Hotline
IT Service Desk	Hardware, software, passwords, network access	helpdesk@aetherdynamics.com / x4357 (HELP)
Security Operations Center (SOC)	Security incidents, lost devices, phishing reports	soc@aetherdynamics.com / x9111
HR & Employee Services	Benefits, payroll, leave requests, grievance reporting	people@aetherdynamics.com / x2222
Facilities & Safety	Building access, maintenance, safety emergencies	facilities@aetherdynamics.com / x3333

Document Revision Control: Version 4.2 | Last Updated: July 2026 | Approved by Enterprise Risk & Governance Committee.
